

Origo table

assembly and mounting instructions

davidpompa

- 1 Unscrew the glass sphere from the socket. Insert the G9 bulb. Screw the glass sphere onto the socket. Take care to screw the glass sphere gently.
Warning: Use only LED

product care

Glass

For opal frosted glass, dust gently with a duster or soft rag. Do not scrub frosted glass.

Recinto

Use a feather duster, a clean cloth, or vacuum with a clean brush attachment, do not wipe wet.

safety instruction

Lamp suitable only for indoor use. The electrical connections must be carried out by specialized personnel. If this electrical wire or cord is damaged, it should be replaced exclusively by the manufacturer, its technical team or someone with an equivalent qualification in order to avoid any risk. The manufacturer is not responsible for improper use of the product.
